## Get flexible payment terms on your [*platform name*] order with Hokodo

We've teamed up with Hokodo in order to bring you deferred payment plans and a seamless checkout experience.

### How it works

#### 1. Fill your basket

Shop for the items you need, and remember that you won't need to pay for them upfront.

#### 2. Head to the checkout

When you're ready to finish your order, head to the checkout.

#### 3. Choose to Pay Later with Hokodo

Select from the payment options that you are eligible for and choose your payment method.

#### 4. Receive your goods

We'll dispatch your order immediately while you'll have the freedom to delay your payment by up to 60 days.

### How it benefits you

#### Quick and easy to use:

You can access payment terms instantly, and get what you need for your business in just a few clicks.

#### Improve your cash flow:

Cash flow constraints can cause operational problems and hold back your businesses' growth. Delaying payment can help you to get what you need, when you need it, and focus on growing your business.

#### No impact on your credit score:

Hokodo runs soft credit checks that do not affect your credit rating nor the credit rating of your business.

#### No hidden fees:

When you choose to delay your payment with Hokodo, there are no hidden fees or extra costs. You'll get a tailored credit limit and payment plan based on your business type and financial history.

### **About Hokodo**

Hokodo's mission is to enable one million businesses like yours to access a better way to pay for their online orders by 2025. We want to bring B2B trade into the 21st century by providing business buyers with access to the payment terms they need, whilst also giving them a seamless online ordering experience.
